

## Discover Canada, a different look at the country

The new citizenship guide, Discover Canada, is a much more comprehensive look at Canada's history and systems with 10 pages devoted to Canadian history, compared to two in the previous version. Its emphasis also differs. Below is a graphic representation of the most frequently used words in the new citizenship guide. The biggest

which was produced under the Liberals in 1995. It's longer (17,536 words to 10,433), Quebec, and less to the environment.

### NUMBER OF TIMES A WORD IS MENTIONED IN THE NEW STUDY GUIDE

385	Canada
208	Canadian
83	Citizenship
71	Government
66	Quebec
65	Canadians
62	British
